FAS Fun Dye is a pre-mixed non-toxic liquid painting dye that is ready for instant use direct from the bottle.

Use For: Formulated specifically for school use and offers a strong brilliant range of colours which are made from food dye pigments. Fun Dye can be used for many creative art projects. Colour wash, drawing ink, non permanent fabric dye, resist work over liquid or wax crayons. Brilliant for creating large colour washes quickly with intense bright colour. Used to colour play dough, tint children's paddling pool water and other pre-school activities.

Can be applied by Brush, sponge, dropper or plastic straw directly from the bottle. Dilute with water if necessary

Wash up equipment with soap and water. CAUTION: This product is a dye and could stain fabrics and surfaces. Close supervision of children is advised and the use of protective smocks is recommended.

SIZES:
500ml and 2 Litre
