

Here are some fun ideas on how to get the most out of your Rock Stars Bulletin Board (CD-110150).

Other ideas!

- Create your own band: what is your band name?, draw your costumes, put on a class concert!
- Study music through the ages
- Display student work by writing their name on a backstage pass and placing the pass next to their work on display.

Classroom Management and Behaviour

Behaviour Management Display: Create 3 headings: 'Rock On!', 'Time to Tune Up!', 'Oops! Singing Way Off Key'

Write each students' name on a Back Stage Pass and display their name under the appropriate heading depending on their behaviour throughout the day.

Room 10 Rocks!: List reasons why your classroom rocks! Display the reasons around the Rock Stars Bulletin Board.

Profile your 'Rock Star of the Week': Select your "Rock Star" each week and profile them i.e. a display of their work/artwork, list of their favourite things etc.

Study Music

Types of music and instruments: Study different types of music, music from different countries i.e. China, India, Africa, great composers, musical instruments, how music is composed etc.

Favourite bands: Give each student a backstage pass. Ask them write on the pass and profile their favourite band/musician. Each day select one backstage pass and play music from the band/musician.
