No representations or warranties, either express or implied, or merchantability, fitness for a particular purpose or any other nature are made hereunder with respect to information or the product to which the information refers.

FAS Powder Paint is top-grade wash-off opaque tempera paint in powder form. Economical and easy to use, just add water and mix to the required consistency. Offers a long shelf life with the ability to make-up the paint as required.

FAS Powder Paint is made from non-toxic, finely ground pigments giving a brighter full strength colour to your finish. This multi-purpose paint that can be used for a variety of techniques from finger painting to general art and craft work. Best suited for ages 2+.

**Use For:** Non-permanent posters, ticket writing, finger painting, general art and craft work. Ideally suited for the school classroom, pre-school educational groups or anywhere children are painting.

**Cleaning:** Soak garment immediately in warm water with detergent while paint is still wet. Leave to soak overnight, then machine wash with detergent in warm water. A slight residual pigment stain may remain on some fabrics. We do not recommend the application of stain removers as this may help set the stain and make removal more difficult.

### SIZES:

200g Jar (makes up to 1 litre).  
 600g Pot (makes up to 3 litres).
