

Write & Wipe Pockets

Includes:

- 5 Multi-color pockets (red, blue, green, purple, and yellow)
- 5 Dry-erase markers with eraser tips.

Write & Wipe Pockets are just as useful as they are colorful! Use any worksheet you already have or print one off from any of our Encyclopedias of Blackline Masters (LER 7322–7326). Simply place the worksheet through the opening at the top of the pocket with either the included dry-erase marker, or a marker that you have tested.

These pockets protect worksheets from being ripped or folded and cut down on waste by making it unnecessary to photograph sheets for the whole class. Not only that, but they are perfect for any subject or lesson.

Place the pockets in a center and use them with our Write & Wipe Center Signs (LER 0482). The colors of the signs are the same to allow students to easily see what they should be working on.

Write & Wipe Pockets offer a variety of uses and will be the perfect addition to your classroom!
